Registration Announced By Lawson Ford For PP&K

Local youngsters will be "dusting off" their footballs and loosening up their throwing arms soon for the 1973 Punt, Pass and Kick competition.

This year, as usual, the local level of PP&K will be co-sponsored by the Jaycees of Appomattox in conjunction with LAWSON FORD, INC., the participating Ford Dealer in this area.

Registration for the PP&K contest will begin on Monday, August 20th and will continue through September 28th.

Participants in the Punt, Pass & Kick program compete only against others their own age. Any youngster eight through 13 years of age, accompanied by a parent or guardian, may register to compete in PP&K at Lawson Ford in Appomattox. There is no entrance fee and no body contact during competition. No special equipment is needed and participation does not impair a youngster's amateur standing.

Nationally PP&K, now in its 13th year, is co-sponsored by the National Football League and the Ford Dealers of America. Since it was started in 1961, the program has attracted more than 9,350,000 youngsters -- and participation this year is expected to top the 1,200,000 mark.

Scoring is based on accuracy and range with one point added for every foot of punting, passing and kicking distance, and a point subtracted for every foot off a center line.

Twelve national finalists will compete for the National championships in their age groups during the halftime of the Super Bowl Game in Houston, Texas January 13, 1974. Winners will have their names permanently enshrined in the Pro Football Hall of Fame in Canton, Ohio. Their trophies will be presented by Football Commissioner Pete Rozelle.

JV Football Practice Will Begin Monday

All boys interested in playing JV football this year are requested to report at the Appomattox Intermediate School on Monday, August 20, at 5 p.m.

They are to come out ready to practice on Monday and are asked to bring their physical examination forms with them.

CONGRESSMAN DAN DANIEL gets a smile from Tracey Lynne Forehand, the 1973 Poster Child for the National Cystic Fibrosis Research Center.

WASHINGTON- Fifth District Congressman Dan Daniel recently greeted six-year-old Tracey Lynne Forehand, the 1973 Poster Child for the National Cystic Fibrosis Research Center, during her visit to Washington.

The foundation is just beginning its annual National Breath of Life Campaign for publicity purposes and to raise funds for treatment of lung disease.

Tracey, the daughter of Mr. and Mrs. Wayne Forehand of Manchester, Missouri, will be featured along with national Chairman Hugh O'Brien during the campaign.

Mr. Albert E. Martin, Jr., Ph. D., of Richmond heads as active Virginia chapter.

Tracey was diagnosed as having cystic fibrosis at the age of five months. Although she suffers both digestive and respiratory complications, she enjoys almost a normal childhood because the disease was detected early and she receives good care. Treatment demands daily attention and continual therapy.

Men's Golf Championship Tourney Set For Labor Day

The Golf Activities Committee of the Falling River County Club would like to remind all members that the closing of the register for the Club Championship golf event is drawing near.

All members interested in participating in this tournament are urged to register as soon as possible thus assuring themselves a starting position.

A maximum of 128 members (minimum age 14 years) can participate and the course will be closed to regular play during this Labor Day week end, Sept. 1, 2 and 3.

Farmers Bank Votes 2 For 1 Stock Split

The shareholders of the Farmers National Bank, at a special shareholders meeting on August 7, 1973, voted a two for one stock split and to issue 12,333 new shares of stock to be sold at $30.00 a share.

Executive Vice President T. DeWitt Evans stated that it is desirable to increase the capital because of the excellent growth of the bank expansion during the past five years; that it is also desirable that stock be offered to those not currently owning stock.

The stock will be offered to present stock holders in the amount of one share for each three presently owned.

Anyone not owning stock but wishing to buy should contact the bank before August 31, 1973.

Pamplin Ruritans To Sponsor Music Show

The Pamplin Ruritan Club is sponsoring an outdoor music show at 8 p.m. on August 24th at the Pamplin Ball park.

Outstanding country, western and bluegrass bands will be featured. Radio a n n ouncer Henry Fulcher will be master of ceremonies for the music show.

Admission will be $1.00 for adults and 50c for school children. Pre-school children will be admitted free. Those who have portable chairs are requested to bring them to assure themselves of a seat.

In the event of rain, the program will be held in the Pamplin Fire Hall.

Proceeds will go towards several community projects the Ruritan Club supports.

Tickets will be sold at the gate on the night of the show.

Supervisors Delay Action On Backing Park Expansion

In the picture above, standing from left to right, O. W. Martin, Chairman of the Board of Supervisors, accepts check from W. C. Stanley, center, Superintendent State Forests, for one-fourth gross proceeds derived from sale of timber and other forest products from the land of the Appomattox-Buckingham forest in Appomattox County for fiscal year just ended. Standing on the right of Stanley is Carter T. Taylor, Ranger, Appomattox - Buckingham State Forest. Shown seated, from left, are O. H. Tolley, memb... ...; Mrs. Barbara Williams, s... ...; and John C. Cole, member of the board.

Receive Check for Forest & Timber Products

With more business than usual on the agenda for their meeting on Friday, the Board of Supervisors of Appomattox County were in session for more than five hours.

Howard Wolfe, President of the Virginia State String Music Association, had come before the board at their meeting on July 13th to request permission to have a Banjo Festival in Appomattox County annually. No action was taken at that time but at a recessed meeting held on July 20, 1973 the request was denied.

At the same July 20th recessed meeting, the Board of Supervisors voted to employ Mr. Steve Bowling as building inspector. Under the new state law, each political subdivision in Virginia must have a building inspector effective Sept. 1, 1973.

Bowling is attending a special school for building inspectors at VPI & SU in Blacksburg during the month of August and will assume duties as building inspector [illegible] with temporary [illegible] set up in the Town of Appomattox Municipal Building.

James A. Smith, County Agent, and Charles Perkins, District Agent, informed the board members on Friday that Mrs. Rebecca Johnson has resigned as Extension Agent in Appomattox County effective August 31, 1973. They stated that the position had been advertised and several applications had been received and reviewed.

On the recommendation of both Smith and Perkins, the Board of Supervisors approved the appointment of Mrs. Shirley Walton to the positon of Extension Agent replacing Mrs. Johnson.

Mrs. Walton, a native of Pittsylvania County now residing in Appomattox County, is married to Lloyd Walton, Division Superintendent Appomattox County Schools, and they are the parents of two children.

Having received her B.S. degree from Radford College with a major in Home Economics, she has had ten years experience as a teacher of Home Economics in public schools and is quite familiar with working with youth. Mrs. Walton has also taught adult classes dealing with Home Economics. She has completed several hours of graduate work.

Mrs. Walton will basically be doing both adult and 4-H Club work. "I feel Mrs. Walton will be a real asset to our staff", said James A. Smith, Appomattox County Agent.

Calvin H. Robinson and Stuart Farrar, citizens of Appomattox County interested in maintaining the historic image of our County, presented a petition to members of the board at their meeting on Friday asking that they resolve to support H.R. Bill 6499, (first introduced in Congress by W. M. Abbitt, retired) introduced in the House of Representatives by Fifth District Representative W. C. Daniel on April 3.

Robinson, speaking to board members, pointed out that it is reported by park personnel that over 900 visitors stop at the Appomattox County House National Historic Park each and every day and as concerned citizens we need to do more to encourage tourists to stay for longer periods of time. If H.R. Bill 6499 is passed it would permit the acquisition of approximately 500 acres of land adjoining park property and would include the birthplace of Joel Walker Sweeney, inventor of the five-string banjo. Robinson said he felt the historic value would be worth a great deal and that eventually the Sweeney birthplace might be restored and other things as added attractions.

In the Sunday issue of THE NEWS, reporter Larry Flick, present for a brief portion of the Friday meeting, reported that the Board of Supervisors failed to back the park expansion and referred to Robinson as Chairman of the Appomattox Historic Society and to Farrar as a member of the society.

There is no Appomattox Historic Society in Appomattox County, there was talk of forming such a society but it was never formalized.

The board expressed interest in the Appomattox Court House National Historic Park

Concord Squad Elects Officers - Reports Calls

The Concord Rescue Squad held its regular monthly meeting on Thursday night. Officers for the new year were elected at this time.

Administrative officers elected were President, Reggie Spradlin; Vice President, Bob Burrill; Secretary, Larry Stallings; Assistant Secretary, Jerry French; Treasurer, Cecil Jones; Chaplain, Fred Roberts; Public Relations, Tony Tyree; Membership, Lawrence Hamlet and James Cassidy. Operating officers elected were Captain, Wayne Lankford; First Lieutenant, Calvin Collins; Second Lieutenant, Bill Mann; and Communications Officer, Ray Smith. C. R. Carson, Lowell Thomas, Tom Lee, S. S. Gilbert, Buddy Warriner and Carroll Mince were elected Directors.

Three new members were taken into the squad at this meeting. The new members are Wayne Adie, Tom Shupe and Bobby Lee Smith.

Calvin Collins and Wayne Lankford were elected to the Campbell County Rescue Commission and Larry Stallings was elected as an alternate member.

Wayne Lankford was elected to the Board of Governors in the Fifth District.

Concord Rescue Squad answered 51 calls in the month of July, traveling 1571 miles and working 156 man hours treating 40 persons.

Emergency calls answered are as follows: general illnesses, 14; Cuts, 11; Auto Accidents, 2; Breathing Difficulty, 4; Falls, 4; Strokes, 1; Maternity Transports, 3; Transports, 2; Back Injury, 1; Stand-by, 1; Snake bite, 1; hit by car, 1; Bee Sting, 4, and False Alarms, 2.

Town Council Supports Expansion Of Park

Members of the Town Council of Appomattox, meeting in regular session on Monday night, voted to go on record in support of the proposed H. R. Bill 6499 which conceivably would permit the acquisition of adjoining National Park Service property to include the birthplace of Joel Walker Sweeney, inventor of the five-string banjo. The bill was introduced in the House of Representatives by Fifty District Representative W. C. Dan Daniel in April.

The action came about as the result of acquisition from the Board of Supervisors of this county as they desired to get opinions from the Town Council. The Appomattox County Planning Commission and from taxpayers before making their decision regarding the support of said bill.

Members of Council felt that perserving the historical value of the Appomattox Court House National Historic Park was most important.

As evidenced by recent newspaper probably not aware of the work which has been done by the Appomattox County Planning Commission.

This commission has been working for approximately four years in the preparation of a proposed county zoning ordinance with special interest and emphasis on preserving and protecting the historical park and its environs.

Toward this end two Historical districts are being proposed which would encourage low density development compatable with this national shrine.

Details of this proposed zoning ordinance will be made available in the very near future.

The Appomattox County Planning Commission is a joint representative of the Town of Appomattox, the Town of Pamplin and the County of Appomattox.

In the Monday night meeting council passed a resolution electing to participate in the Virginia retirement program and after being considered by the Board of Trustees will become effective October 1, 1973.

In other business before council, Bill Slagle, Town Manager, reported that the Town of Appomattox is presently using approximately 155,000 gallons of water per day.

The Law Enforcement Manpower Pool Agreement was signed by Mrs. Calvin H. Robinson as Vice Mayor on August 8, 1973, in the Conference Room of Central

Two "Measured Miles" Marked

Two additional "measured miles" have been marked for the convenience of motorists in the Virginia Department of Highways Lynchburg District, the department said today.

D. H. Gauiden, Jr., district engineer, said they were established as part of an expanded program undertaken by the department to provide a convenient means by which drivers may check their speedometers and odometers for accuracy.

The measured sections are designated by signs and four-inch-wide white stripes painted crosswise on the roads.

The new sections are on the westbound lanes of U. S. 460 in Appomattox County near Secondary 613 and on the eastbound and westbound lanes of U. S. 58 in Halifax County between the intersection of Secondary 703 and a point a mile west of the intersection.

Earlier, the Lynchburg highway district marked the measured miles on sections of U. S. 29 in Campbell County, U. S. 58 in Pittsylvania County, and U. S. 460 in Prince Edward County.

Named Building Inspector For Appomattox County

William Stevens Bowling

William Stevens Bowling has been named building inspector for the County of Appomattox including the towns therein, according to a recent announcement from the Board of Supervisors of Appomattox County.

Employed with the Central Virginia Electric Co-operative for the past twenty-five years, Bowling is presently attending a special school for building inspectors at VPI & SU in Blacksburg before reporting for duty on September 1, 1973. Temporary office space will be set up in the Town of Appomattox Municipal Building.

Bowling is Commander of the American Legion Post 104 in Appomattox; a veteran of the Korean War, he served his country from November of 1951 until November of 1953 and was stationed in Anchorage, Alaska.

A native of Nelson County, he is married to Betty Bowling and they are the parents of two daughters, Brenda, age 12, who will enter the 8th grade at Appomattox Intermediate School this fall, and Pettis, age 19, who is a second-semester sophomore at Longwood College in Farmville. They are members of Liberty Baptist Church in Appomattox.

Under new state law, each political subdivision in Virginia must have a building inspector effective September 1, 1973. The law requires periodic inspection during every construction project in the towns and county and also requires the building inspector to sign a certificate before owners may occupy their new home. The law even requires approval of the building inspector before new washing machines can be installed, electric circuits added, etc. Part of the expense of the state-required inspections will be paid by the person requesting the construction, or the contractor, who will charge it back to the owner. A schedule of fees for the permits
